## Why Use A Travel Agent? Top 12 Reasons

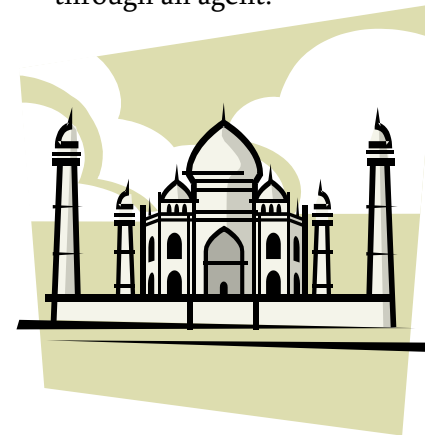

---

LET US TURN YOUR TRAVEL  
DREAMS INTO REALITY!

## Creating memories to last a lifetime

1. **The price of your trip will not cost you more:** the hotel, car or cruise line, etc., pay the agent a small commission, typically after you have traveled. The agent is only paid by suppliers if you make your reservation through your agent and then take your trip.
2. **Saves you money:** travel agents know and understand travel trends, promotions and how to bundle packages for savings. In addition, many times agents have access to specials and amenities that consumers are unable to receive unless booking through an agent.
